SUMMARY

Computer Science (AI/ML) student with strong skills in Java, Data Structures and Algorithms, and Full-Stack Web Development. Proficient in React.js, Node.js, Express.js, and MongoDB, with experience building AI-powered and web-based applications. Passionate about problem-solving, software engineering, and developing scalable solutions. Seeking opportunities to apply technical skills and grow as a Software Development Engineer.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, Python, C

Frontend Development: React.js, HTML, CSS, JavaScript, Tailwind CSS

Backend Development: Node.js, Express.js, MongoDB, Mongoose, REST APIs, JWT Authentication, CRUD Operations

Libraries & Tools: Git, GitHub, API Testing (Postman, Hoppscotch), Chrome DevTools

Core Skills: Data Structures & Algorithms, Object-Oriented Programming (OOP), Responsive Design, DOM Manipulation

PROJECTS

AI Resume Builder Application

Full-Stack MERN Project

- Developed a full-stack resume builder using MongoDB, Express.js, React.js, and Node.js.
- Integrated AI-powered resume analysis and optimization features.
- Implemented authentication and CRUD operations for resume creation and management.
- Used REST APIs for seamless communication between the React frontend and Node.js backend.

AI Applicant Tracking System (ATS)

Full-Stack AI Project

- Built an AI-powered ATS application using Puter.js and LLMs to analyze resumes and generate ATS scores.
- Developed resume parsing and keyword matching functionality to compare resumes with job descriptions.
- Implemented secure file upload and authentication features using a serverless architecture.
- Designed a responsive user dashboard using Tailwind CSS for resume analysis and feedback visualization.

EXPERIENCE

Hackathon Experience

Participated in IEEE Hackathon as a Developer

- Developed an interactive Water Conservation Quiz Game to promote environmental awareness.
- Built responsive UI using HTML, CSS, JavaScript.
- Implemented quiz logic, scoring system, and user interaction features.

EDUCATION

Dev Bhoomi Uttarakhand University

B.Tech in Computer Science, Artificial Intelligence

Dehradun, India

Aug 2023 – Present

SSC AU GIC SELAQUI

Class XII

Dehradun, India

Completed in 2022

CERTIFICATIONS

- AWS Certified AI Practitioner
- Information Technology Specialist in Artificial Intelligence Certification - Certiport
- Azure AI Fundamental - Microsoft
- Azure Data Fundamental - Microsoft
